# Blue Is The New Black

Navy blue is a classic color that is both timeless and sophisticated. A relative of black, navy adds just a hint of mystery and intrigue that isn't found in its much-darker cousin. The deep rich hue punctuates depth into any kitchen and complements a variety of colors, making it the perfect accent to backsplashes, countertops, or walls. Not only is it versatile, but it's a color that will remain stylish for years to come.
