

Construction

Are your cabinets constructed with solid wood?

Framed Capital Collection

- *Doors & Drawer Fronts* -
 - All stained doors, drawer fronts, and frames are constructed from 3/4" solid Birch hardwood. Our Casselberry Saddle style has a solid birch center panel, while our stained Shaker Cinder has a veneered MDF center panel.
 - Our painted styles feature an all HDF door: Shaker White, Shaker Grey, Shaker Dove, Shaker Antique White, Torrance White, Torrance Dove, Casselberry Antique White, and York Antique White.
- *Cabinet Box* - Our framed cabinet boxes are constructed from solid Birch hardwoods and furniture grade plywood. All materials are CARB2 compliant for standard US restrictions for formaldehyde emissions.
- *Drawer Box* - Our framed cabinetry features four-sided drawer boxes constructed from 5/8" thick solid hardwood, dovetail joints, and a fully captured 3/8" thick plywood floor.

altaeuro Full Access Frameless

- *Doors & Drawer Fronts* -
 - Our Torino and Riviera styles feature a fully edge banded, thermofused textured melamine over engineered wood, with a matching back.
 - Our Palermo style features a fully edge banded, high-gloss PET laminate over engineered wood, with a matte melamine back.
 - Our Verona style features a five-piece HDF painted door.
- *Cabinet Box* - Our frameless cabinet boxes are constructed using MDF and furniture grade plywood. All materials are CARB2 compliant for standard US restrictions for formaldehyde emissions.
- *Drawer Box* - Our frameless cabinetry comes standard with our altamax drawer box. The altamax drawer box is a four-piece construction box complete with 1/2" thick metal sides and 5/8" thick thermofused melamine engineered wood back and floor.

How is the interior of the cabinet finished?

Framed Capital Collection

- Our framed cabinetry comes standard with UV coated natural interiors. Glassdoor "GD" cabinets have interiors that are painted or stained to match the exterior.

altaeuro Full Access Frameless

- Our altaeuro cabinet boxes feature a grey linen thermofused melamine in and out.

Are your cabinets CARB2 certified?

Yes, all US Cabinet Depot products are 100% in compliance with CARB Phase 1 & CARB Phase 2 defined guidelines of composite wood products.

Are your cabinets strong enough to support a granite countertop?

Our plywood core construction for all of our cabinets ensures the strength required to support granite, concrete, or any other countertop material that you may select. No additional cabinet reinforcement is required.

Do your cabinets have soft-close doors and drawers?

Soft-close doors and drawers are standard on all of our current cabinet collections (excludes select discontinued styles).

Is a finished panel required for exposed cabinet ends?

Framed Capital Collection

- No, all of our framed cabinets come with finished exteriors.

altaeuro Full Access Frameless

- Yes, altaeuro features a standard grey linen thermofused melamine exterior, so panels will be needed to finish the exposed ends.

How much weight can the cabinet drawers hold?

Framed Capital Collection

- Our framed cabinet drawer boxes have a weight capacity of 70 lbs.

altaeuro Full Access Frameless

- Our altamax drawer boxes have the following weight capacities:
 - K-height (5") 88 lbs
 - C-height (6-¾") 132 lbs.

Do you sell paint color or stains that match the finishes of the cabinetry you offer?

We do not carry the paint color or stains to sell direct but we have partnered with Sherwin Williams for easy access to purchase our finishes. Simply visit a Sherwin Williams in your area, let them know you are interested in a custom paint color or stain from their National Accounts database under the name 'BGI'. Once the store associate has accessed the account successfully, provide them with the paint color/stain you are looking for: **Casselberry Antique White:** BGI-CW, **Casselberry Saddle:** BGI-CS, **Torrance White:** BGI-TW, **Torrance Dove:** BGI-TD, **York Antique White:** BGI-YW, **Shaker White:** BGI-SW, **Shaker Antique White:** BGI-SA, **Shaker Dove:** BGI-SD, **Shaker Grey:** BGI-SG, **Shaker Cinder:** BGI-SC, **Verona Pure Blanc:** BGI-VPB, **Verona Storm Grey:** BGI-VSG, Verona **Midnight Blue:** BGI-VMB

Retail locations can accomplish matching any paint color for your projects however, paint color/stains are only recommended for smaller items such as trims & mouldings. For an accurate match for larger items, you will need to contact a Sherwin Williams Professional Coatings Group.
