

# FINEST FURNITURE FINISHES

## ■ J&K's solid wood cabinet finishes are processed through the following excellent craftsmanship details:

1. The finest solid maple wood is sanded until smooth and vacuumed.
2. An equalizer stain is applied to balance the base color of the wood.
3. A toner is applied to establish color uniformity.
4. A deep penetrating stain is applied to reveal the hidden beauty of the natural grain.
5. All stained surfaces are hand-rubbed and wiped of excess stain and then slowly air-dried.
6. A wood sealer is applied, penetrating all exposed wood surfaces for uniform protection.
7. All surfaces are hand-sanded, providing a smooth, consistent surface.
8. A glaze is applied by hand (if applicable).
9. A color consistency examination is performed with additional touch-ups, if needed.
10. A final protective top coat is applied, maximizing resistance to scuffing, moisture, fading and most household chemicals.

## ■ Natural Wood Characteristics:

Arce

Burl Grain

Open Knots

Bird's Eye

Mineral Streaks

Heartwood

**Note:** All solid wood may contain natural "imperfections," such as variations in color, grain, mineral streaks and knots.

# SUPERIOR CONSTRUCTION

Wall Cabinet with two doors in Castle Grey (S5).

Base Cabinet with one drawer and one door in Castle Grey (S5).

J&K CABINETRY MA

# STANDARD FEATURES

■ All J&K's cabinets and vanities are superiorly constructed with 100% solid wood and proudly come with the following **STANDARD** features:

1. **DOOR PANEL** – 3/4" thick solid wood, full overlay door.
2. **DOOR HINGE** – 6-way Euro-style adjustable, hidden soft-close metal.
3. **ADJUSTABLE SHELF** – 3/4" thick cabinet-grade plywood, clear coat finish on all sides and edges with metal shelf rests.
4. **DRAWERS** – 5/8" thick solid wood on all sides, full extension and dovetail construction.
5. **DRAWER GLIDE** – Full extension, soft-close and concealed under mount.
6. **PLYWOOD BOX** – 5/8" thick cabinet-grade plywood, clear coat finish on interior sides and matching color finish on exterior 3 sides.
7. **METAL BRACKET** – Corner bracket reinforcements in base cabinets for maximum stability.
8. **DOOR BUMPER** – Promotes quiet-closing and reduces slamming for maximum durability.

■ Tilt-out Trays have been another upgrade **STANDARD** feature in all of J&K's Kitchen Sink Base and Vanity Sink Cabinets.

## NOTE:

As we continue to improve our product qualities and designs, the actual functionality of *Door Hinges* and *Drawer Glides* may vary slightly between existing and newest product styles and finishes. Please check with your local J&K Cabinetry showroom or dealer for the most current updates.
